☒ All GE foods should be labeled so I am informed and have a choice.

☒ GE foods should not be assumed to be "generally recognized as safe" [redacted]

Docket No. 00P-1211\CP102

FDA Dockets Management Branch
(HFA-305)

(Additional Personal Comments:)

I, along with many citizens, do ^{NOT} wish to ingest any food that has been altered, in any form, especially by corporations such as Monsanto and Dupont. We do not want these foods, and we want the items clearly labeled indicating they have been altered.
